

OLD INHABITANTS HOLD MEETING

Secretary Describes His
Trip to St. Louis.

LETTER FROM THE PRESIDENT

Project of Holding Memorial Services
for Deceased Members Has
Been Abandoned.

The Association of the Oldest Inhabitants held its regular meeting last night. S. Thomas Brown, president of the association, was in the chair, and in addition to the regular business outlined there were several features of interest included in the program.

B. W. Reiss, recording secretary of the society, who represented the association at the Louisiana Purchase Exposition, gave an interesting description of many of the exhibits, and inasmuch as many members have not been to St. Louis, Mr. Reiss' account of his visit was highly interesting.

A letter from Secretary Loeb was read, in which the secretary acknowledged for President Roosevelt the good wishes of the association which were extended to the President on his forty-sixth birthday.

Memorial Services.

During the evening it was announced that the project of holding a memorial service for deceased members had been abandoned. This was found necessary through the fact that since the inception of the organization, on December 7, 1895, 500 deaths have been recorded, and it would be impossible to hold suitable services.

A committee was instructed to procure a suitable book in which the names of all deceased members will be inserted, with the date of their birth and death.

George A. R. McNier, John F. Donohoe, and J. C. Yost were elected members of the association.

NEWS FROM GEORGETOWN.

WIT FOR THE WEDDED.

The Rev. Dr. Weston Bruner, pastor of the Fifth Baptist Church, will deliver a humorous lecture next Thursday night, at the Tenleytown Baptist Church on Wisconsin Avenue. The subject of the lecture will be "The Girl We All Want to Marry; or Wit and Wisdom for the Wedded."

FIRE IN LA FEVER HOME.

The home of Mrs. La Fever, 3219 U Street, was badly damaged by fire last night. The loss to the contents and building, is estimated to be about \$1,000. The blaze started in the cellar, and was caused by an over-heated furnace.

No. 5 Engine Company responded to the call, and extinguished the flames. The loss to the building is covered by insurance.

The property is owned by Mrs. Susan P. O'Neil.

CITIZENS WILL MEET.

The regular monthly meeting of the Northwest Citizens' Association, will be held tomorrow evening at Masonic Hall on Wisconsin Avenue, near Grant Road. Several prominent citizens have been invited to address the association.

The Georgetown Citizens' Association will hold its regular monthly meeting, Monday evening at the Adelphi Hall, 1225 Thirtieth Street, northwest.

MEETING OF TEMPLARS.

Silver Star Lodge, No. 29, I. O. G. T., of Tenleytown, will hold its regular monthly meeting this evening at Good Templar Hall, on the Brookville Road. An interesting program has been arranged.

\$1.25 Baltimore and Return, B. & O. R. R. Every Saturday and Sunday. Tickets good returning until Sunday night. "Hourly Service" Saturday.

Three Battles Fought With Fugitive Outlaws

Desperadoes Who Killed Bank Cashier Now
Surrounded in a Forest—Death or Capture a Matter of Only a Few Hours.

CHEYENNE, Wyo., Nov. 3.—Three battles have been fought between two outlaws who tried to rob the First National Bank of Cody Tuesday afternoon, and who murdered Cashier I. I. Middaugh, but the bandits are still at large, although their capture or death is a matter of only a few hours.

Officers came upon the two bandits at dawn in camp on the Grey Bull River, sixty-five miles from the scene of battle. The robbers refused to surrender, and put up a hard fight. One of the officers' horses was killed and some of the men had narrow escapes. The robbers succeeded in getting away.

The posse followed slowly, because of the necessity of avoiding a possible ambush. The outlaws were again overtaken on Enos Creek, thirty miles from the scene of the first battle, and another fight occurred. One of the

bandits was wounded in the thigh, but his companion hoisted him onto his horse and, after a running fight for four miles, the outlaws again got away.

A courier came into Meeteetse last night with the news that the murderers had been surrounded in a forest on Cottonwood Creek and that their capture is expected at any time. The outlaws had been called upon to surrender, but refused to come forth. Night came in and no attempt was made to do any shooting. The timber will be closely guarded during the night, and the outlaws will probably be taken or killed in the morning. If captured they will be taken to Cody and lynched.

Colonel Cody arrived in Cody last evening with his Indian trail riders, scouts and cowboys, accompanied by a large party of English noblemen and American sportsmen. Cody will take the trail of the outlaws at once. His guests have been invited to accompany him, and some of the younger members of the party will do so.

SOPHOMORES RUDELY INTERRUPT SMOKER

They "Steal" Freshman President,
Enter Cafe and Break Up the
Class Powwow.

A smoker was held last night by the freshmen medical students of Georgetown University, which terminated in a class fight with their rivals, the class of 1902.

Preparations for the smoker have been under way, and so quiet were the members of the second year class that the freshmen grew bold, and told of their plans and place of meeting. The smoker was to begin at 8 o'clock last night, but was delayed by the members, who were awaiting the arrival of their class president, W. Weidman. He never came for hardly had he started for the hall in which the smoker was to be held, than he was seized by waiting sophomores, bound hand and foot, and conducted several miles from the city, in the heart of the wilds of Maryland.

Giving up their president as "unavoidably detained," the freshmen proceeded with their smoker. Hardly had the affair started, however, when two members of the '02 "Kl Y" class climbed up over a hay window of the room, and armed with water pistols and flour, covered the merrymakers with each. The freshmen retaliated by capturing the offenders, and in a moment the factions were engaged in a fist fight.

At this point the manager of the cafe under the hotel, where the party had reached a climax. He took a hand in the warfare, and, summoning Patrolman Bursey, had the offending sophomores arrested.

Accompanied by their classmates, the two students were taken to the police station, where a charge of disorderly conduct was placed against them.

Collateral was furnished by their friends for their appearance in the Police Court this morning. The collateral was forfeited.

MARINE AND CAVALRY BANDS IN THE PARADE

The United States Marine Band and the Fifteenth Cavalry Band from Fort Myer will take part in the annual parade of the District police and fire departments on election day. The parade will form near Eighteenth Street and Pennsylvania Avenue northwest, and will pass in review before the Commissioners stand in front of the White House.

The total expense of this parade is borne by the three District Commissioners, there being no public fund to pay for the event.

\$1 Frederick, Antietam (Keedysville), Hagerstown and return. Leave B. & O. R. R. station 8 a. m., Sunday, November 6. Beautiful scenery en route.

PLAN FOR MERGING CITIZENS' ASSOCIATIONS

Lanier Heights and Meridian Hill, Columbia Heights and Mount Pleasant Bodies in the Project.

The project of consolidating the Lanier Heights and Meridian Hill and Columbia Heights Citizens' Associations with the Mount Pleasant body, has taken practical form by the appointment of committees from each association to meet and decide upon plans for the merger. No call has yet been issued for the meeting, but it will be held in the near future.

The committee appointed by the Lanier Heights and Meridian Hill Association is composed of Louis P. Shoemaker, Donald McPherson, C. C. Lancaster, A. M. McLachlen, and F. W. McKeon. This committee will confer with similar committees appointed by the other two associations.

The consolidation of these associations would mean the establishment of one of the largest associations in the District, covering the greatest portion of the suburbs in the northwestern section. It would take in an area bounded on the east by Seventh Street, on the west by Rock Creek, and on the South by Florida Avenue.

\$1.25 Baltimore and Return, B. & O. R. R. Saturday and Sunday. All trains both ways, both days, except Royal Limited. "Hourly Service" Saturday.

New Southwest Branch Office.

Residents of South Washington will be pleased to know that The Times has established a branch agency at V. Hugo Eisenberg's Pharmacy, corner Seventh and B Streets southwest, where want advertisements and subscriptions for The Evening and Sunday Times will be received at regular office rates.

RESTORING THE TOMB OF SUSAN DECATUR

Descendant of the Admiral of National Fame in Georgetown for That Purpose.

William Decatur Parsons, of New York city, a direct descendant of the Commodore Decatur family, an early American history, is in Georgetown supervising the restoration of the tomb of Mrs. Susan Decatur, wife of the Commodore.

Mrs. Decatur's remains lie in the old Georgetown College burying ground, situated northwest of the plot where rest the remains of the departed Jesuits. During the last years of her life she resided in a house located within the college grounds, and where she remained until her death, June 21, 1890. She was a benefactress of Georgetown College, and long after she passed from the public world, where during the Commodore's life she reigned socially, her gracious presence was one of the endearing features to the students of the old house of learning.

The remains of Commodore Decatur are interred in Philadelphia, in the churchyard near the remains of his parents. The City of Brotherly Love was his home city.

It is deemed more appropriate that the remains of Mrs. Decatur be permitted to remain undisturbed here than to have them transferred to Philadelphia, even though her husband lies there.

Southern Railway Winter Schedule.

Effective Nov. 6, 1901 Southern Rwy. announces resumption winter schedules. New York & Florida Express will be re-established, leaving Washington 8:30 p. m. daily. Pullman drawing-room sleepers New York to Jacksonville, Fla., and Augusta, Ga., with connections for other prominent resorts.

The Price of Flour

Valuable Information to Housekeepers

Although CERES is the best flour in this country, the price of it today is from 75c to \$1.00 per barrel lower than any other first-class spring wheat patent, and the millers are determined to keep the price of this famous flour just as low as they possibly can, and thereby put it within the reach of the poor man as well as the rich.

"Ceres" Flour is without doubt the most nutritious and at the same time the handsomest flour made in the United States, and yet a pound loaf of bread made at home and baked in your own range, which has to be heated for cooking purposes anyway, will not only make you bread of the finest quality, but also at a very reasonable, in fact, low price.

Despite the fact that the flour market has advanced considerably during the last five or six weeks, you can buy a barrel of "CERES" Flour for \$7.75 per barrel from your grocer, or \$1.95 for 1/4 barrel—or 49 pounds.

We had a large stock of "CERES" on hand before flour commenced to advance, and are perfectly willing to give the consumer the benefit of it. Therefore, if you need flour, order "CERES" from your grocer, and you will not only get the CHEAPEST, but also the BEST Patent Process Flour that is sold anywhere.

Feeling and acting as we do, the grocer and the consumer ought to patronize us liberally and order CERES Flour—the best in the world—in preference to any other flour.

Do not waste your energy and time by worrying over the price of flour, but, instead, if you are not already using CERES Flour, start at once, and buy a sack or a barrel of it, and you can prove to your own satisfaction that a pound loaf of handsome and most palatable and nourishing bread, if baked at home in your own range, will make you cheap bread, as well as the best bread. Let the mother who has many mouths to feed use CERES Flour and the price of bread will not cut much of an item in her household expenses, because it not only makes the whitest and most nutritious bread, but will make more loaves to the sack or barrel than any other flour in this or any other country.

There are many other good flours on the market, some for a little less money than "CERES" Flour, but there is not one of them that can begin to compete with it in quality, nor produce as many loaves of bread per barrel.

Ask your grocer for Ceres Flour
and refuse to accept a substitute

"CERES" Flour is sold by all Grocers
We only Wholesale it
